

FISHY MOBILE

1. Make your own fishy mobile.
2. Copy the pictures or draw your own fish.
3. Paste them onto cardboard.
4. Cut them out and colour them in on both sides.
5. Make a hole at the top of each fish.
6. Use cotton to hang the mobile as shown in the picture.

Tip: use prestick/bubblegum to balance your mobile.

You will need:

- Paper
- Glue
- Cotton
- Crayons or paint
- Scissors
