

This recommendation letter should be completed by the applicant's **Life Sciences teacher or school principal**. Please include your school's **official stamp**. The checklist below serves as a guide to ensure your recommendation letter includes all the required information. Once completed and signed, return the letter to the applicant to upload their application.

Recommendation Letter Checklist

- ☐ Most Recent Life Sciences Mark (%)
- ☐ Applicant's aptitude and potential in Life Sciences is addressed.
- ☐ Applicant's interest in environmental awareness, conservation, and/or marine sciences is addressed.
- ☐ Applicant's character, leadership potential, and commitment to learning are addressed.
- ☐ Reasons why the applicant is a suitable candidate for the Young Biologist Volunteer Course are included.

This image shows a single page of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page, leaving small margins at the top and bottom. There are no vertical margin lines, and the paper is completely blank except for the lines.
