Connecting a wide audience with nature

Two Oceans AQUARIUM
Explore • Experience • Engage

Two Oceans Aquarium Environmental Education Centre Booking Pack
DISCOVERY CENTRE LESSONS

Our activities guide students to discover and learn about freshwater, coastal and marine ecosystems through hands-on learning.

Should you wish your activity to relate to a different topic, we would be happy to discuss your requirements and structure an activity accordingly. Please discuss this with our Bookings Coordinator.

**Underwater wonders**

Recommended for touring groups and groups visiting the Aquarium for the first time.

This exciting hands-on investigation of a selection of live rock pool animals enables multi-sensory exploratory learning about various adaptations for survival.

For more senior grades we include food chains, food sustainability and marine environmental issues.

**Fish lesson**

An activity aimed at investigating how fish have adapted to living in water as well as providing an introduction to a few unique fish species.

In the past a fish dissection was done as part of this lesson. This is no longer done as sardines have been categorised a red-listed sustainable seafood product.

SCHOOL GROUP BOOKINGS

**Accompanying adult supervision**

- For Grades 1 – 12, we require 1 adult to every 10 children, but can accommodate two adults within the same price range.
- For Grades 0 – R, we require 1 adult to every 5 children, but can accommodate two adults within the same price range.

Adults need to supervise their assigned group at ALL TIMES.

**Booking**

- Book your Aquarium visits a minimum of two weeks in advance.
- Select topics that are applicable to your classroom and your children.
- Select more than one date, as your first choice might not be available.
- Bookings for multiple days need to be completed on separate booking forms.

**Confirmation of visit**

Once your booking form has been received by the Aquarium, an invoice will be sent as confirmation of the booking. If you have not received an invoice within 24 hours, please contact the Booking Coordinator on tel: +27 (0)21 814 4559.

**Payments**

- Bus payments are to be made one week prior to the visit. We will only book the bus once payment has been received.
- Payments for the visit can be made beforehand, or at the Aquarium on the day of your visit.
- Please send pre-payment proof to fax: 086 6794078 or email: schools@aquarium.co.za
- **Please bring proof of payment with you on the day of your visit.**
- No group will be allowed access into the Aquarium without payment.

**Account details**

Please arrange an EFT payment into the following account:

Bank: Nedbank
Branch: Foreshore

Account Number: 108 329 0614
Branch Code: 108 309

**Cancellations**

One week notice is required.
SCHOOL GROUP BOOKING FORM 2018

Complete and return to schools@aquarium.co.za or fax to 086 679 4078.
Applicable to groups of 10 or more.

Pick up time from Aquarium (until 14h00 only): ..................................................................................................................................................................................................
Suitable for:
Foundation phase

Duration:
30 minutes

GET INVOLVED

Sponsor a Child’s Visit / Adopt a School
Many children in the Western Cape have never been to the Aquarium. Many have never even seen the sea. The Two Oceans Aquarium’s “Sponsor a Child’s Visit and Adopt a School” programmes enable visitors and other interested parties to sponsor a child’s visit to the Aquarium. Sponsored children will be treated to a hands-on discovery activity presented by one of our highly trained and skilled education staff.
Visit www.aquarium.co.za to learn more and to make a contribution.

Rethink the Bag
The Two Oceans Aquarium supports the Rethink the Bag campaign. This campaign aims at having single-use plastic bags banned in South Africa. To this end, the Two Oceans Aquarium, in 2011, banned all staff and volunteers from bringing single-use plastic bags onto the premises.
Visit www.rethinkthebag.org to learn how your class can make a difference to the environment by supporting this campaign and saying NO! to plastic bags.

Penguin Promises
The Two Oceans Aquarium is proud to be associated with the Penguin Promises campaign and encourages everyone to join the movement. This is not a fund-raising campaign, but rather an awareness campaign that urges people to make a change in their lives that will have a positive impact on the environment.
Visit www.penguinpromises.com to make a promise and a difference!

PUPPET SHOWS

Our Early Childhood Development (ECD) puppet shows help children to learn in a fun and interactive way.

Should you wish to customize your activity, please make an appointment with our teaching staff at least one week prior to your visit.

Please indicate the name of the activity and preferred time on booking form.

Marine Food Chains
This puppet show illustrates who eats what and who in the ocean.

*I Live Smart
Meet some interesting sea creatures like clownfish, sharks, penguins and seals while learning about living smartly.
A storybook and 12 printable activity sheets are available for this puppet show.

* Keep the Beach Clean
A puppet show illustrating the dangers of litter on beaches and the value of recycling.

*I Love Turtles
This puppet show illustrates the difference between turtles and tortoises and the danger marine debris poses to marine animals.

*Puppet Books available for these puppet shows.
