### Penguin Experiences

Discover more about penguin behaviour, ocean ecology and the threats facing our feathered friends through our informative Penguin Experience.

### Dive in a magical underwater forest

Advanced scuba divers can dive into the utterly spellbinding world of our unique and proudly South African Kelp Forest Exhibit.

### Guaranteed sightings every day

Our temperate I&J Ocean Exhibit is great for beginner divers. Guaranteed sightings in exceptional conditions. Turtles, stingrays, and a wide variety of fish species.

### Shark diving – no cage required!

This is your once-in-a-lifetime chance to come face to face with magnificent ragged-tooth sharks. For divers with an Open Water diver qualification or higher.
